Event Flow

Round 1 – Quiz in a Click

- Multiple-choice questions on core technical concepts and programming languages.
- Evaluates participants' technical knowledge through varied questions.
- Teams shortlisted from this round proceed to Round 2.

Round 2 – Lightning Quiz

- A sequence of questions with strict time limits for answering.
- Points awarded for every correct answer.
- The top 6 teams move to the final round.

Round 3 – Final Round: Bidding Blitz

- Teams are presented with questions and must place a bid from their available points before answering.
- Correct answers earn points equal to the bid; incorrect answers lose that amount.
- Strategic bidding and smart risk-taking are crucial.

Rules for Bidding Blitz:

- Before each question, teams must place their bid based on confidence level.
- Minimum and maximum bid limits will be set for each question.
- The top 3 teams after this round will be awarded.

Event Guidelines:

- **Team Composition:** Each team must consist of 2 to 3 members
- **Time Management:** Each round will be strictly time-bound. Answers must be submitted before time runs out; late submissions will not be accepted
- **Scoring System:**
 - **Tech Insight Challenge:** +10 points for each correct answer, no negative points
 - **Rapid Fire:** +5 points for each correct answer within the time limit
 - **Bidding Blitz:** Points awarded based on bids; incorrect answers result in a loss of points equal to the bid

- **Gadget usage:** Strictly restricted
- **Rule Violations:** If any team member violates the rules, marks will be deducted
- **Tie-breaker:** A bonus rapid-fire round will decide the winner in case of a tie
- **Judging:** Judge's decision will be final
- **Professionalism:** Participants must maintain professionalism and sportsmanship. Any disputes should be raised with the organizing team immediately
