Event Type: Treasure Hunt

Event Name: The Hellfire Hunt

Event Flow:

Event Team:

- **Team Composition:** Maximum of 2 members per team
- **Objective:** Participants must find Will Byers's location, who is trapped in the Upside Down.

Event Rounds:

Round 1: Participants will be given 4 cards containing clues to unlock/crack the system's password. This involves solving 4 questions which lead to the next round.

 Round 2: Participants will log into the system using the clues, then solve a set of technical riddles/quiz to find the blueprint of Will Byers's location/Treasure.

 Round 3: After obtaining the blueprint, participants will search for Will Byers/Treasure in their allocated location. A final puzzle must be solved to find Will Byers.

Winning Criteria

- The top three teams with the lowest completion time will be declared winners.

Event Guidelines:

- No gadgets allowed.
- All clues found must be recorded and reported to volunteers.
- Any misconduct will result in immediate disqualification.
